

INCREASE YOUR PRODUCTIVITY... ONE REP AT A TIME.

Your best salespeople excel because their skills, attitudes, and behaviors seamlessly align with your goals. Every company wants proactive, self-motivated salespeople that have the talent to meet or exceed their goals. Scoreboards™ skills assessments is the one tool that accurately reveals how your current employees perform, and how new recruits will... before you make a decision to hire.

At a 94 to 97% accuracy, Scoreboards™ will tell you if your employees and candidates can/will sell, what approach they'll use, and what motivates them. Our in-depth profile pinpoints the critical success factors you need to know to ensure peak performance.

OUR SCOREBOARDS™ CLIENTS EXPERIENCE:

- Reduced Turnover: Reduce 80% of turnover using our scientific job/talent matching system to improve hiring and retention accuracy
- Cut Costs: Hiring, training and ramp up times dramatically reduced
- Improved Productivity: By retaining and hiring the best talent for your team
- Increased Training Effectiveness: By accurately targeting developmental needs
